Subject: **Verification and Validation of GHG Emissions**

Dear Mrs Fyfe,

With this letter, we would like to confirm the completion of the following jobs as agreed in the quote with ref. no.: 2504062:

1. Verification of the GHG inventory for the Reporting Year 2023, within the scope of ISO 14064-1
2. Validation of the 2025-2030 GHG emissions reduction Action Plan, with baseline the average emissions of 2022-2023, within the scope of ISO 14064-2.

The following deliverables are attached with this letter:

1. Greenhouse Gases Validation Report No. **2504062GHGVER**
2. Greenhouse Gases Validation Report & Statement No. **2504062GHGVAL**

We kindly request you to acknowledge receipt by signing and returning this letter to us by email.

With kind regards,

Marinos Ioannou

Environmental Manager  
Dromon Bureau of Shipping

Acknowledge receipt by signing and returning to us (by e-mail or fax)
